

*WHEREAS, neuroendocrine (NET) cancer is a misunderstood and often misdiagnosed disease that, although rare, impacts over 177,000 Americans; and*

*WHEREAS, the need for further research, education, and awareness is critical to NET patients and the development of new treatments; and*

*WHEREAS, with timely diagnosis, proper treatment, and increased awareness, NET cancer day can not only bring hope to people living with NET cancer, but bring supportive collaboration amongst healthcare professionals in Colorado and across the nation;*

*Therefore, I, Jared Polis, Governor of the State of Colorado, hereby proclaim November 10, 2019 as,*

## NEUROENDOCRINE (NET) CANCER DAY

*in the State of Colorado.*

*GIVEN under my hand and the Executive Seal of the State of Colorado, this tenth day of November, 2019*
